British Values in Music at Bisley Blue Coat C of E Primary School

Rule of Law

In Music lessons, children are aware of and follow our clear school rules for behaviour and learning. They are also taught and follow clear rules when using musical instruments.

Individual Liberty

Music lessons teach our children to be disciplined, resilient and hard working in order to achieve what they want to.

Children are also encouraged to work expressively as they become more confident.

Democracy

During Music lessons, children are encouraged to have opinions about pieces of music. They are encouraged to have their say about the music and appraise it according to its merits.

Tolerance of others with different faiths and beliefs

In Music lessons, children listen to, appraise and perform music from many cultures. They are taught about the value of music in other cultures and to respect difference.

Mutual Respect

Children are taught to have their own ideas and opinions about music and to respect the opinions of others. Children are also encouraged to respect the musical ability and performance level of each other and to be encouraging.
